2024 Blacksmith School Application

Saturday October 26th and Sunday October 27th

Saturday is the beginner's class led by John Sturgis and students will be forging three items, a bottle opener, a leaf for your key ring and a wall sconce candle holder. On Sunday, the class will be led by Dave Kauffman. Projects will be a towel rack and a toilet paper holder. The class size is limited to 10 students per day, and the cost of each class is \$50.

Saturday Beginner's Class _____
